

2010 ROOKIE SERIES

SEASONAL 9 HOLE JUNIOR TOURNAMENTS

The ROOKIE SERIES in 2010 will be played throughout the year (seasonally) at golf clubs/courses across Victoria. The Series is designed for younger players, both boys and girls aged under 14 wishing to start playing golf at a basic competitive level (prior to obtaining a Golf Australia handicap). The Series is designed to build on the great junior development work being done at many golf clubs across the state to grow our game.

Events will be scheduled, in the main for Sunday afternoons, as well as during school holiday periods. For club events scheduling will be entirely at the club's discretion. There will be a Rookie Series Final which will be held in the January school holiday period at Riversdale GC. The boys and girls winners from each of the Rookie Series events will qualify for an invitation to the Rookie Series Final.

SAJG will administer the Rookie Series and run the final. Winners and scores from all Rookie Series events and the Rookie Series Final will be posted on the SAJG website.

Event	Format of Play	Suggested Event Prize Allocation
 Rookie Series	9 holes (eg. modified stroke with max hole score and/or short tees)	Boys (U14) - Winner Boys (U10) - Winner Girls (U14) - Winner Girls (U10) - Winner (or at club's discretion)

Club Events

Clubs may enter their own events into the Rookie Series free of charge. SAJG will send winner's certificates to the club along with an invitation for winners to compete in the Rookie Series Final. The club will run its event and return names and images (optional) of the winners to SAJG, for posting on the SAJG website.

SAJG/WGV/VGA Events

SAJG/WGV/VGA will from time to time run other events which also qualify for the Rookie Series. The entry fee will be as per the respective event.

The Final

The Rookie Series Final will be held in the January holidays, played over 9 holes. Entry fees for the finals will be \$12 per player. Entry is by invitation only to event winners.

Bookings are essential! For full conditions and entry details...
