2009 1<sup>ST</sup> May, July, August - Club Competition Woodlands

### **General comments about golf and your golf:**

It is a great sport and a good opportunity to play on all different golf courses. I have a lot of room for improvement and enjoy the challenges ahead of me if I want to meet my goals in golf. I continue to play in as many tournaments during school holidays and hope to step up from my second placings in previous tournaments to first position.
