### **Golf Background/Highlights**

- I caddied for my dad in pennant, watched him play in club championships and fell in love with the game.
- Dad plays off two and I beat him off the stick earlier this year when I shot 74 off the stick. He's nearly over it.
- I played in the Vic Primary Schools event in Gr's 4, 5 & 6.
- I won the B Grade Shepparton Club Championship in June, played in the winning Shepparton 4ball pennant team last year and also won the Goulburn Valley U15 Sub Junior title in 2008.
- This year I have made the U16 State Development Squad.

**General comments about golf and your golf:**

I love golf, it's such a challenging game. Golf is great in that you get to meet a lot of people and it's a very social.

My golf game has a lot of room for improvement, I love practicing.

At the moment my short game keeps my scores relatively tidy so I'm focusing of keeping more drives on the fairway so I can attack the pin more often and increase my number of birdies per round.

I intend to start playing a number of state events this year
