5. Had my second eagle at Moonah Links, Open Course on 14/7/09 and scored 72 (2 under) at the Vic Amateur.

General comments about golf and your golf:

I enjoy golf a lot because I have met lots of people and made new friends. I also like going to different courses around Victoria as I like the different challenge that each course presents. Golf is a great game because I get to dress up smartly and I can play even when I'm old. I hope to keep playing golf for the rest of my life.
